INTERSTATE CERTIFICATION

The UUCP is a program for conducting certifications for Disadvantaged Business Enterprise (DBE) firms in the State of Utah

Out-of-state DBE: If your firm has been certified in DOT's Disadvantaged Business Enterprise Program in your home state and you are applying for certification in Utah, you are required to send a copy of your original DBE application that you gave to your home state, also a copy of personal and business Federal tax returns for the last three years, Affidavit of certification (please mail to the above address).

I, _____,			
Name		Title	
of _____			
Firm Name			
Mailing Address		City	State Zip
Street Address (if different)			
Phone Number	Fax Number	Cell Number	
E-Mail Address			

To process your application, please indicate what type of work your company is primarily interested in performing. NOTE – This does not limit which US Department of Transportation recipients you can do business with. The following selection only helps us determine which certifying entity will conduct your certification:

- Airport specific expertise and Concessionaire Services
- General Construction of Highways, Bridges and Airports
- Public Transit Construction and Related Services
- Other _____

Please list the North American Industrial Classification System (NAICS) Code(s) and Title(s) that best describe the primary business of your firm. The NAICS codes can be found at www.naics.com/search.htm or <http://www.sba.gov/size/sizetable2002.pdf>
