

AIRPORT REDEVELOPMENT PROGRAM

PHASE 2 COMING IN 2023–2024

The New SLC Email Alert - Fall 2021

## Topping Out Ceremony Held

On October 13, 2021, SLC International Airport celebrated a major milestone in the construction of Phase 2 of The New SLC. One of the final steel beams—weighing 3,500 lbs.—was raised 55 feet to cap off what will be 22 gates for Delta Air Lines. The first four gates are scheduled to open in May 2023 with the remaining gates set to open in November 2023.

## The New SLC Design Achieves LEED Gold

The Salt Lake City International Airport celebrated the one-year anniversary of The New SLC by announcing LEED Gold certification from the U.S. Green Building Council (USGBC). The certification recognized both the Terminal Redevelopment Program and Concourse B-west.

The award was unveiled on Sept. 15, 2021, by Lisa Stanley, director of technical services, USGBC, Salt Lake City Mayor Erin Mendenhall, Airport Executive Director Bill Wyatt and Matt Needham, director of aviation and transportation, HOK Architects. Congratulations to the team in achieving LEED Gold! [Click here](#) to watch a congratulatory message from the

## UTA TRAX Airport Station Opens

After 20 months of construction, the TRAX platform at Salt Lake City International Airport has opened! An event was held on Oct. 25 with UTA Board of Trustees Chair Carlton Christensen, Mayor Erin Mendenhall and SLC Airport Executive Bill Wyatt to mark the occasion. UTA is offering free rides for passengers with a boarding pass through Jan. 31, 2022.

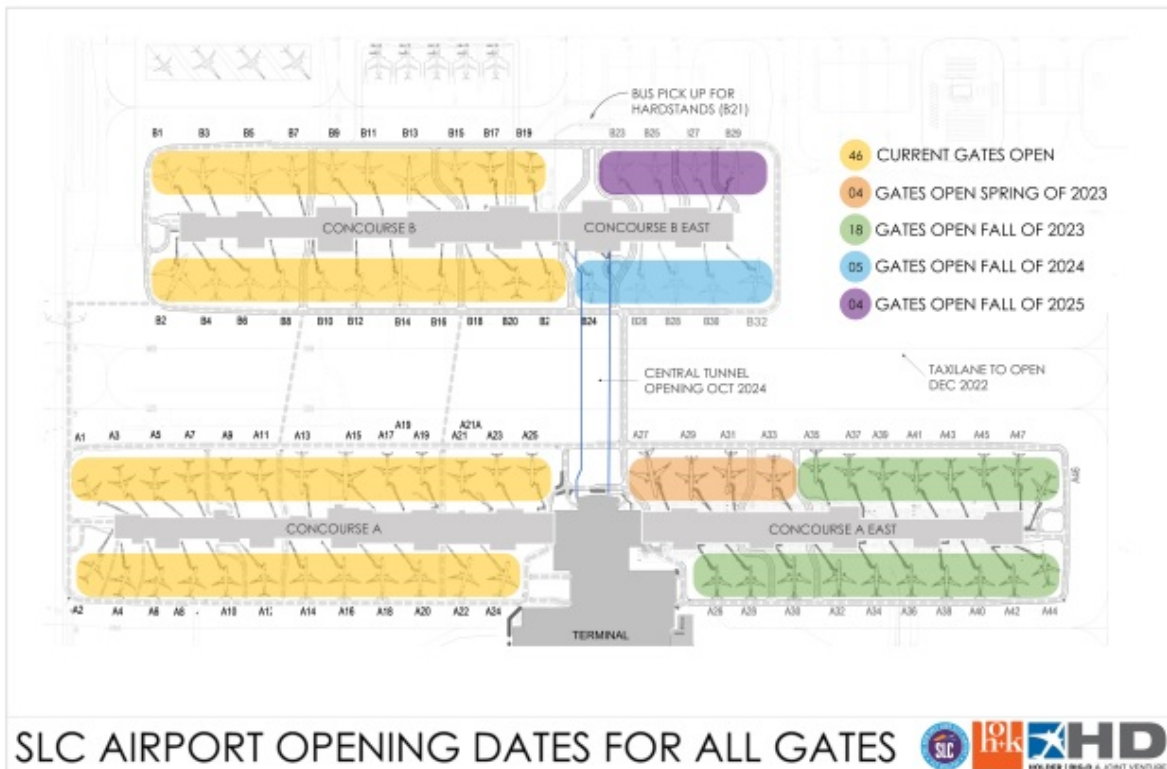

## Airport Seeks Concessions for Phase 2

The Salt Lake City Department of Airports held a pre-proposal meeting to provide those interested in opening a concession in Phase 2, with details about the program. More than 60 people attended the meeting in person and 67 virtually. Phase 2 includes the build out of 22 gates on Concourse A to the east. The plans call for 19 restaurants and shops to occupy the 22-gate extension. Interested businesses must be registered with the city in order to download and submit a proposal by Jan. 21, 2022. In addition, businesses must be registered on the Utah Public Procurement Place (UPPP) webpage —[www.slcprocurement.com](http://www.slcprocurement.com)—to download the documents needed to submit a proposal.

## The New SLC Construction Progress

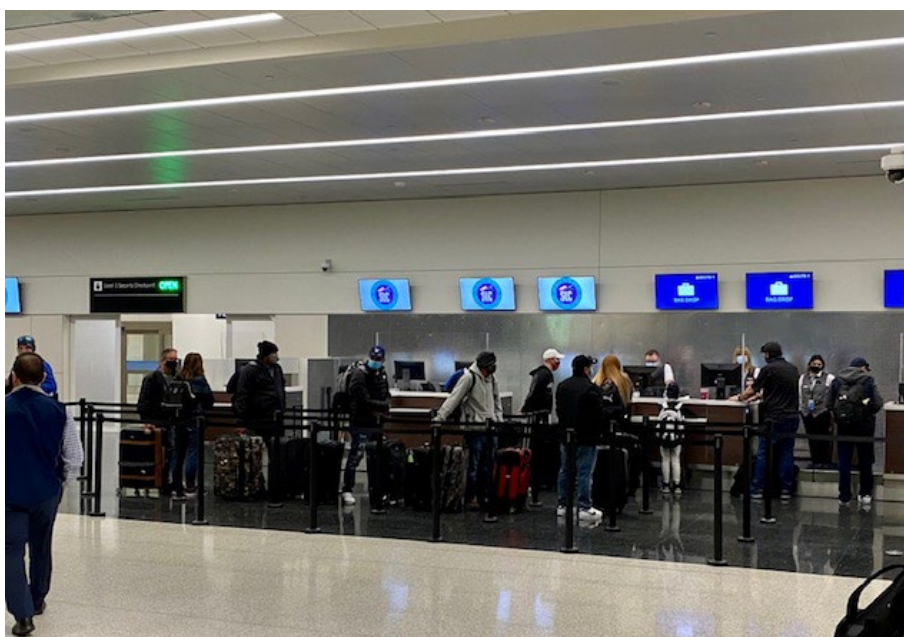

Build out of the Central Tunnel to connect concourses A and B is well underway. The tunnel is 915 ft. long and about 115 ft. wide. Construction crews have been placing 12 lids on the tunnel. Each lid is 3 ft. thick, uses 13,500 cubic yards of concrete and 1,500 tons of reinforcement.

A new hold room for passengers waiting to take shuttles to their aircraft opened on Nov. 1. The area will help alleviate congestion on the east gates of Concourse B.

Concourse A-east exterior sheathing installation.

Terminal Level 1 check-in now open, just in time for the ski season.
