

## TAC-AIR SLC HOSTS US AIRCRAFT EXPO

TAC-AIR SLC hosted the US Aircraft Expo on June 22 and 23. The Expo brings together aircraft manufacturers and prospective buyers. Aircraft manufacturers flew in 14 demonstration aircraft for the event. Approximately 500 people attended the Expo and sponsors are planning to bring the event back next year.

## Work on Fiber Optic Line Underway at SVRA

Construction crews began work on the South Valley Regional Airport (SVRA) fiber optic project on June 26. The project will run fiber optic lines to SVRA's four main hangars and to the automated gates. The new lines will provide faster internet speeds at SVRA and will allow automated gates to be connected on a live feed to the Airport Control Center. Work is expected to be completed by October 2018.
