

Mid-Air Collision Avoidance Seminar Planned at SLC on May 17

The United States Air Force is holding a Mid-Air Collision Avoidance Seminar on May 17 at 4 p.m. The meeting will be held in the Airport Training and Activities building located at 1911 North 2200 West.

The seminar brings military representatives together with general aviation pilots to discuss safety topics, such as special use airspace and military operations in the National Airspace System.

Wings credit will be given for seminar attendance.
