

Fall Airport Hanger Inspections Coming in October

Fall hanger inspections will occur on October 5 at South Valley Regional Airport and October 6 at Salt Lake City International. Inspectors will check the hanger to ensure lease compliance.

Key inspection points include the following:

- Fire Extinguishers must have a current valid inspection sticker
- Hazardous materials must be stored properly
- Electrical cords must be sized properly
- Aircraft stored in the hanger should comply with lease

Hangars that do not comply with these lease standards will receive a 30-day notice to correct the problem. Contact General Aviation Manager Dave Teggin at (801) 556-4082 with questions.
